June is...National Safety Month

In an effort to promote public awareness and ultimately decrease the number of injuries and deaths, June is designated as **National Safety Month**. This year's theme - "**Safety: Where We Live, Work and Play**". Activities this month will address the most significant reasons for unintentional injuries and deaths in the American workplace, on the road and in the home and community. Each of the four weeks will have a specific focus:

- June 1 - 7Teen Driving
- June 8 - 14Falls Prevention
- June 15 - 21.....Overexertion
- June 22 - 28Distracted Driving

Let's all work together to make this a safer place to live and work! **HAVE A SAFE MONTH!**
