## June is...National Safety Month

In an effort to promote public awareness and ultimately decrease the number of injuries and deaths , June is designated as **National Safety Month**. Each June, the Tampa Area Safety Council encourages businesses to get involved and participate in National Safety Month. This year each week will carry a theme that brings attention to critical safety issues for both Home and Workplace. They are as follows:

- June 1 - 6 .....Prescription Drug Overdose Prevention
- June 7 - 13 .....Teen Driving Safety
- June 14 - 20.....Preventing Overexertion at Work and at Home
- June 21 - 27 .....Dangers of Cell Phone Use While Driving
- June 28 - 30 .....Summer Safety

Let's all work together to make this a safer place to live and work! **HAVE A SAFE MONTH!**
